WELLESLEY CENTENNIAL

May 15, 1981

Mr. Dick Paret
35 Phillips Ave.
Norwood, MA

Dear Mr. Paret:

Yes, you should have heard from me much sooner than this. As I was reorganizing for the second Centennial tour of duty(summer), I realized that I had neglected to thank the Radio Club for its assistance during the hectic cake cutting ceremony on April 5.

The unpredictable weather and last minute change of plans conspired to create real havoc. We felt very fortunate to have radio communications available--it kept us on top of the situation. Despite the confusion, radio club members were patient and efficient. Thank you so much for helping us out that day.

Sincerely yours,

Norma O'Reilly
